WHY WE ENDORSE PHIL GREER AND JEFF HERDMAN

"The Campaign manager of Team Newport is running the campaigns of candidates for the three open [City Council] seats. That is his business ... so there is no reason why he shouldn't run these campaigns. However, the optics of having one man so integrally involved in the actual and potential makeup of the Council is such that it behooves everyone involved to be particularly sensitive to this issue." Former Mayor Nancy Gardner's comments in StuNews, StuNewsNewport.com (10-5-16)

Both Phil and Jeff are long-time residents of Newport Beach who understand the character of the City and the challenges we face. Line in the Sand PAC evaluated all the candidates and feel that they are the best candidates to support the residents, especially with regard to preventing overdevelopment.

JEFF HERDMAN, DISTRICT 5

- ✓ He is a full-time resident of 17 years and part-time since 1953.
- ✓ He believes our traffic problem is related to over-development.
- ✓ **He is NOT aligned with Team Newport**, which is guided by Bob McCaffrey and Dave Ellis. Dave Ellis is also a consultant for the 300 foot Museum House condo complex.
- ✓ He has proven himself to be against any increase in air traffic and noise from the airport.
- ✓ He served as president of both Balboa Island Associations and was a member of the Charter Revision Committee and the Tidelands Management Committee. Until recently he served on the City's Civil Service Board.
- ✓ He wants stronger financial disclosure laws for candidates running for City Council and limits on how much they can spend.
- ✓ He is more aligned with the goals of Line in the Sand PAC.

PHIL GREER, DISTRICT 7

- ✓ He is a full time resident of 19 years.
- ✓ He is concerned about high-density overdevelopment.
- ✓ **He is NOT aligned with Team Newport**, which is guided by Bob McCaffrey and Dave Ellis. Dave Ellis also is the consultant for the Museum House.
- ✓ He says that the City Council should focus on strategic growth and look more closely at traffic impacts of proposed projects.
- ✓ He wants to keep nostalgic activities such as beach fire rings and cares deeply about the City's unique bay, beach and water orientation.
- ✓ He believes in the value that cultural and arts projects bring to families in the City – such as Concerts in the Park.
- ✓ He is more aligned with the goals of Line in the Sand PAC.
